

TOWNSHIP GOVERNMENT AND ADMINISTRATION

CHAPTER 1 GENERAL

Section 1.1 Scope of Courtland Township Code. This Code is a single comprehensive Ordinance containing all provisions of a general nature, except for the Township Zoning Ordinance which is a separate Ordinance, and franchises approved by Ordinance, which are attached as appendices to this Code.

Section 1.2 Repeal. All ordinances heretofore adopted by the Township, not including the Township Zoning Ordinance or zoning maps, and amendments thereto, or franchise Ordinances, have been repealed in conjunction with adoption of this Code. Ordinances of a special nature pertaining to specific subjects not within the purview of this Code, such as, by way of example and not limitation, ordinances authorizing financing, shall not be repealed by adoption of this Code.

Section 1.3 Short Title; References. This Ordinance may be known and shall be cited as the “Courtland Township Code.” Within the Courtland Township Code, reference to the “Code” shall mean the Courtland Township Code, not including the appendixes. References to a “Chapter” shall be a reference to the entire Chapter. Consistent with common and historic usage, sometimes a chapter or chapters may be referred to as “ordinance,” such as in the case of the “Subdivision Control Ordinance” or “Sewer Ordinance.”

Section 1.4 Severability. If any provision of this Code is now or later amended, or its application to any person or circumstances held invalid, the invalidity does not affect other provisions that can be given effect without the invalid provision or application.
